As

the no. of prisoners in the Central Jail Bellary is constantly on the increase. The necessity therefore for the addl. latrine accommodation etc need not be questioned. The estimate prepared by the Supdt. of the Jail who will execute the works amount to Rs 9727 and the I.G. requests sanction for the execution of the works pending orders of formal sanction. He also proposes to meet the cost by reappropriation from the balance of Rs 10000 already allotted for the construction of 75 guarantee cells for the Central Jail, Rajahmundry which is yet unused.

The proposals may, it is submitted, be approved in this Dept in the circumstances and the file passed on to PWD. for the issue of necessary orders.

2. Funds. The cost is debitable to "41 - Civil works - Provincial - Transferred (Grant XXVII). But the reappropriation proposed by the D. G. of Prisons is from Grant XII. As the reappropriation is between two grants, it can be sanctioned only by the Legislative Council. It is presumed that the P. W. Ref his letter No CG 10091 dt 25.12.21 the D.G. had submitted three present schemes for the improvement of the Camp Jail, Bellary, which were then estimated by the Supdt to cost about Rs 100 for sanction of Govt this Department approved of them and the file was sent to PWD for the issue of necessary orders

(Rs 9727 to be saved)

Now the D.G. states that the schemes as estimated to cost Rs 13900 by the PWD at their request resubmits the case for Govt sanction

pl c/f

As regards meeting the cost of these works it was suggested by the DG that it could be met by reappropriation from Rs 10000 the balance of the allotment for the Central Jail Rajahmundry remaining unutilised during the current year. As the present estimates exceed this amount the Supdt, Camp Jail, Bellary suggests that, if necessary, the flagstoning of 2 Cook houses in the Jail may be held over until later if funds are not available
